

Sub-cero Stool

Available finishes

Selection of colours.

For available finishes please refer to the Omvivo website or contact Omvivo directly.

Assembly

Portable stool.

Cleaning

Clean with warm soapy water, or non acidic, mild detergent and a soft cloth. Finish by cleaning off detergents with a soft wet cloth and towel dry.

Additional information and recommended fittings

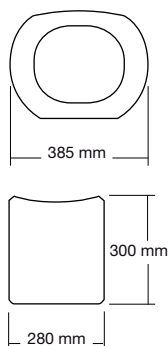

Created from UV stabilised roto-moulded polyethylene, the Sub-cero stool is suitable for indoor and outdoor use and is 100% recyclable. The Sub-cero, a scaled down version of the classic Cero stool, is ideal for children.

Important

This is not an installation guide.

Please contact OMVIVO for technical details.

Product specifications are subject to alteration without notice.
